Mexican Foods

Joe & Aggie's Cafe specializes in homemade red and green chili made using an old family recipe. Local patrons love our chili and can't get enough of it. We also provide homemade chile rellenos, which is a green chile stuffed with cheese and wrapped with an egg that is topped with chili and cheese. Additionally, our restaurant offers Mexican hamburger steaks and T-bone steaks served with rice and beans with chili on top. You must be sure to try one of our apple burritos, which are flour tortillas with apple pie filling that are deep-fried and topped with ice cream! Stop by today or contact us for additional menu information.
